# Policies

## Food and Beverage

Only the Hy-Vee Conference Center (HVCC) may provide any and all food and beverage for the client's event. The only exceptions are wedding cakes and mints associated with weddings. **Due to various health code issues, removal of food and/or beverages from the facility is not allowed.** All food and beverage services must be provided by the HVCC at the HVCC's prevailing prices for such services. **Lunch menus/prices are only available from 10am-2pm; after that time, lunch menus may not be purchased at their regular lunch prices.** Our buffets provide you and your guests with a one-time-through-the-line meal. All prices are subject to change.

## Bar Service

Bar hours of service will open and close in accordance with state laws. A **hosted bar** is sponsored and paid for by the host of the function and service is charged on consumption. A **cash bar** provides guests the opportunity to purchase drinks individually or by using tickets. A **bartender fee** of \$35/hour will be charged if a \$100/hour average is not met on a cash bar. Bartender fees will be waived if the bar is hosted for at least 1 hour or if at least 80 tickets are purchased. Hosted soft drinks and keg beer do not apply to the \$100/hour average. If alcoholic beverages are to be served on the Hy-Vee Conference Center premises, the HVCC allows only its servers and bartenders to dispense the beverages. All beverages must be consumed inside the Hy-Vee Conference Center and no beverages of any kind (alcoholic or non-alcoholic) may be brought into the Hy-Vee Conference Center. **It is a violation of Iowa state law to bring alcoholic beverages into the Hy-Vee Conference Center. If alcoholic beverages are brought in, they will be confiscated and a fee of \$50/bottle or can may be added to the bill.** The HVCC's alcoholic beverage license requires it to **(1)** request proper identification (photo ID) of any person of questionable age and refuse alcoholic beverage service if the person is either underage or proper identification cannot be provided, and **(2)** refuse alcoholic beverage service to any person who, in our judgment, appears intoxicated.

## Banquet and Meeting Rooms

Please adhere to the times agreed upon as other guests may be utilizing the facilities prior to or following your function. Should your time schedule change, please contact our Banquet Manager and the HVCC will make every effort to accommodate you. The Hy-Vee Conference Center reserves the right to assign room space for your group suitable to your function's size; *the room minimum charges will be adjusted accordingly if more or less space is required.* A 22% **service charge** and applicable **sales tax** will be applied to all billable items (if you are a tax-exempt organization, we require a current copy of your Iowa Sales Tax Exemption certificate in order to waive tax charges). Service charge and sales tax are subject to change. We reserve the right to refuse rental of the Hy-Vee Conference Center for any reason.

## Auctions

Clients are allowed to hold live and/or silent auctions at the Hy-Vee Conference Center. There are a number of vendor services that are offered including vendor tables, auction tables, vendor booths, electricity for vendor tables and booths, phone lines for vendor tables and booths, pipe and drape, etc. Charges for such equipment and services are billed at going Hy-Vee Conference Center rates. Due to the Iowa Alcoholic Beverages Division policy, **wine/alcohol is not allowed to be displayed, auctioned, or sold at events. It is also a violation of the Iowa Alcoholic Beverages Division's policy to auction off a photograph of wine/alcohol and pick up the wine/alcohol after the event.** The following are acceptable items to be put on display- gift cards from a wine vendor, corkscrews, wine stoppers, glasses, etc.

## Audio/Visual Equipment

Audio/Visual (A/V) equipment and services, booths, tables, booth electricity, special effects and other items are available for rental through the Hy-Vee Conference Center pending availability. Prices for specialized labor (i.e. electricians, security guards, audio/visual technicians, etc.) are available upon request. All specialized labor must be booked through and/or approved by the HVCC's Director. Client is responsible and shall reimburse the Hy-Vee Conference Center for any damage, loss, or liability incurred by any of the client's guests and/or any other clients or organizations contracted by the customer to provide any services or goods before, during or after the function.
