

CHOCOLATE...

Attention Hy-Vee Shoppers!

For some people, chocolate is just a way of life. We're here to help. Need to learn techniques on melting chocolate? Need tips on packing the most chocolate into one milkshake you possibly can? Our February issue of Seasons has 82 recipes, tips and tricks with chocolate. Like we said, we're here to help. If your goal is to eat less chocolate, we can help with that too. Just ask your dietitian!

Simply Wholesome
Discover the natural goodness of our Baking Stone Breads. Handcrafted fresh daily by our early-rising bakers who apply their talent and personal touch at each stage of the baking process.

Instead of the encyclopedic list of ingredients common today, Baking Stone loaves contain only the basic ingredients, leaving you with a preservative-free bread. The end result: better-tasting, better-textured bread.

There are now more than 20 types of fresh bread in the Baking Stone Bread line. In addition to Sourdough French Baguette, Sourdough Boule and Sourdough Rolls, Baking Stone includes such varieties as Asiago Bannard, Honey Whole Grain and Seed, Honey Raisin Pecan, Pretzel Bread, Fresh Pumpernickel Round and a selection of Focaccia breads.

Hy-Vee recently presented a check for over \$9,500, to the First Responders Foundation to purchase an additional thermal imaging camera for the Omaha Fire Department. The cameras are used to find victims in dark, smoke-filled rooms, help locate the fire, and show the temperature in the room.
