PREPARE YOURSELF.

YOU'VE NEVER SEEN HOME COOKING MADE SO EASY.

The Hy-Vee Simple Fix™ program helps make meal preparation fun, fresh and affordable. Plus, you get to spend time with family and friends!

YOU PREP THE DINNERS. WE'LL DO THE DISHES.

HERE'S HOW HY-VEE SIMPLE FIX™ WORKS.

Gather a group of 6 to 12 people interested in preparing a variety of delicious meals to eat at home later. Then you pick your meal package and schedule a date.

Our helpful Hy-Vee staff will shop for all the groceries and provide the space, bowls and utensils. Because food safety is important to us, our chefs will pre-cut and properly package any meats ahead of time.

At your Hy-Vee Simple Fix™ event, your group puts together each recipe in separate freezer bags or pans. Each meal includes easy cooking instructions so you can thaw and enjoy them at your convenience.

You take home several ready-to-go dinners. We take care of cleaning up. Easy as that!

TRY SOMETHING NEW.

Whether you're a beginner or advanced cook, you'll find something new and delicious to try among the variety of menus our Simple Fix™ program offers—from meats, seafood and vegetarian to slow cooker and Hy-Vee dietitian-recommended options and more.

MEALS MADE AFFORDABLE. TIME MADE FOR FAMILY.

The Hy-Vee Simple Fix™ program costs \$99 per person. (Wine and chopped vegetable options are available.) Each member of the group takes home 7 nutritious meals that serve a family of four to six. With a variety of delicious, ready-to-go meals at your disposal, you'll be able to spend less time prepping—and more time sitting down to enjoy dinner together with your family. (Must contact Jordana in advance if interested in smaller meal portions.)
